Country	Characteristics	General contractor	Services
Switzerland Geneva	-	Services Industriels de Genève (SIG) - Usine des Cheneviers	Project management Civil engineering Tender and evaluation Site supervision
Switzerland Onex (Geneva)	-	Municipality of Onex	Technical appraisal Basic engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Onex (Geneva)	-	Municipality of Onex	Technical appraisal Basic engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning
Russia Krasnodar	Feasibility study for the restoration of Krasnodar Dam on Kuban River Basin. Original volume of the reservoir: 2'914 Mm ³ .	Centre for Preparation and Implementation of International Projects on Technical Assistance (CPPI)	Technical appraisal Feasibility study
Switzerland Geneva	Mandate as a firm of consulting engineers in electricity for the extension of PALEXPO. Total capacity: 6'000 seats.	Fondation pour la halle 6	Technical appraisal Electrical engineering Tender and evaluation Technical expertises
Switzerland Geneva	Mandate as a firm of consulting engineers in electricity for the extension of PALEXPO. SIA volume: approx. 650'000 m ³ .	Fondation pour la halle 6	Technical appraisal Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Meyrin	-	Municipality of Meyrin	Technical appraisal Basic engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Geneva	Mandate as consultant in electric engineering for works in the Geneva international airport's parking.	Aéroport International de Genève (AIG)	Technical appraisal Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Geneva	Mandate as consultant in electric engineering for works in the Geneva international airport's parking.	Aéroport International de Genève (AIG)	Feasibility study Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises

Country	Characteristics	General contractor	Services
Switzerland Geneva	Mandate as consultant in electric engineering for the project of parking Park and Ride Etoile. Totale surface area: 20'000 m ² .	Fondation des Parkings	Feasibility study Basic engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Geneva	Change of a mechanical air extraction system by a natural extraction system	Department of Interior, Agriculture and Environment (DIAE) - State of Geneva	Project management Basic engineering Civil engineering Mechanical engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning
Botswana Gaborone	Unloading capacity: 100 tons/hour.	Cempak Botswana (PTY) Ltd.	Project management Basic engineering Civil engineering Tender and evaluation Site supervision
Switzerland Eaux-Vives (Geneva)	Construction of a bank's new administration centre and head office SIA volume: approx. 30'000 m ³ .	Banque Bruxelles Lambert S.A.	Technical appraisal Civil engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Geneva	Mandate as consultant in electric engineering for the project of Parking P26. Total surface area: approx. 30'000 m ² .	Fondation des Parkings	Technical appraisal Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Grand-Saconnex (Geneva)	Mandate as consultant in electric engineering for the project. SIA volume: 14'000 m ² .	Department of Public Works and Energy (DTPE) - State of Geneva	Technical appraisal Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Grand-Saconnex (Geneva)	Mandate as consultant in electric engineering for the project of Arena. SIA volume: 95'000 m ³ .	Department of Public Works and Energy (DTPE) - State of Geneva	Technical appraisal Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Grand-Saconnex (Geneva)	Mandate as consultant in electric engineering for the extension's project of PALEXPO. SIA volume: 262'000 m ³ .	Department of Public Works and Energy (DTPE) - State of Geneva	Technical appraisal Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Versoix (Geneva)	Construction of a communal school complexe (in two stages) including over 20 classes. SIA volume: approx. 33'000 m ³ .	Commune de Versoix	Technical appraisal Civil engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises

Country	Characteristics	General contractor	Services
Switzerland Thonex (Geneva)	Construction of a home for disabled persons (EPSE). SIA volume: 15'800 m ³ .	Department of Public Works and Energy (DTPE) - State of Geneva	Technical appraisal Basic engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Lully (Geneva)	Studies for a project of a new wine-producing site.	Department of Public Works (DTP) - State of Geneva	Technical appraisal
Algeria Algiers	Civil works engineering services for the erection of clinker storage silos.	Entreprise Nationale d'Engineering et de Développement des Industries Légères (EDIL)	Civil engineering
Algeria Constantine	Erection of a plant for construction and assembling forklift trucks at Ain Smara.	National Society for Publics Works Materials	Civil engineering Electrical engineering Start-up and commissioning
Switzerland Geneva	-	City of Geneva - Service for Architecture	Technical appraisal
Switzerland Geneva	Construction of a steel building for the slag treatment from Cheneviers waste-to-energy plant. SIA volume: 10'000 m ³ .	Department of Public Works (DTP) - State of Geneva	Raw material investigation Technical appraisal Feasibility study Project management Basic engineering Civil engineering Mechanical engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Assistance in operation Technical expertises
Switzerland Geneva	Enlargement and upgrading of Cheneviers plant and its administration buildings SIA volume: approx. 460'000 m ³ .	Department of Public Works (DTP) - State of Geneva	Technical appraisal Feasibility study Project management Basic engineering Civil engineering Mechanical engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning
Switzerland Geneva	Mandate of consultant in electric engineering for the project owner. SIA volume: 40'000 m ³ .	City of Geneva - Service for Architecture	Technical appraisal Basic engineering Electrical engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
Switzerland Versoix (Geneva)	Renovation and transformation of an old farm.	Commune de Versoix	Technical appraisal Civil engineering Tender and evaluation Site supervision Start-up and commissioning Technical expertises
